# THE LEGACY SOCIETY

**The leadership of the Chicago Engineers' Foundation invites individuals to become part of the Legacy Society.**

**Legacy Society members designate a planned gift or endowed contribution in support of future programming for Chicago's next generation of engineers.**

## PLANNED GIVING WITH CHICAGO ENGINEERS' FOUNDATION

**Planned giving is a way to support an organization by making an estate or major gift. This type of support requires some planning, with future tax benefits.**

***The mission of the Chicago Engineers' Foundation is to encourage and empower young people to become the next generation of engineers through scholarship opportunities, outreach to educational institutions, and promoting interest in engineering careers.***
